Re: "National Crime Prevention Council – "Go for Real" Anti-Counterfeit PSA Campaign\

To Whom It May Concern:

Nov. 6, 2019

We are writing this letter to confirm that the National Crime Prevention Council, a 501c3 (non-profit organization as evidenced by the attached IRS Tax Determination letter), is engaging the services of Filmsters, a television and film production company to produce a PSA for NCPC's National Ad Campaign "Go For Real" to warn teens about the dangers of counterfeit products, specifically electronics. NCPC is doing this campaign in partnership with the United States Patent and Trade Office of the U.S. Government.

Any fees waived and/or reduced for this project by Film L.A. on behalf of the City of Los Angeles will result in an equivalent reduction in cost to the National Crime Prevention Council and will allow us to stretch was little dollars we have to putting the campaign out there via social media and the web.

The campaign is designed to teach children about the danger of purchasing fake and counterfeit products that may look similar on the outside but have lesser safety features. These are becoming a leading cause of fires. The campaign has three verticals; electronics, personal care products and sports equipment and will do a soft launch in late November and a national launch in February of 2020 and run for a year. If successful and refunded this campaign may continue for three years.

We will be filming on Monday, November 11, 2019 in Los Angeles, CA. We would very appreciative if you could offer us some savings on the production. If you have any questions regarding this project feel free to reach out to us at the numbers below.

Thanks for your support,
